Please note that in nursery it is sometimes necessary to adjust some sessions for special events for children. With the number of children attending different sessions it is difficult to ensure that all children have equal opportunities to take part in everything. Obviously staff ratios and safety regulations are vital therefore we duplicate most events, which means that a session will have to be cancelled for your child, to allow others the same visit. We keep this to a minimum to avoid disruption at home, I am sure that your child's "special" times at nursery are valuable and we would like to thank you for your co-operation in this matter.
