

Dear Parents and Carers,

This is a note to all parents to introduce ourselves.

Hello I am Cindy Hendy, I have 2 girls, Ariana attends nursery every week for 2 ½ days Wednesday, Thursday and Friday in the Green Teddy Group. I enjoy going for walks, I also have ducks and a dog called Harvey. I want to be a Governor because I like to be involved in nursery life.

Hello I am Neil Armstrong, I have a boy called Zac who attend nursery every week for 2 ½ days Wednesday, Thursday and Friday and is in the Green Teddy Group. I enjoy all outdoor activities and gardening. I volunteered to become a Governor because I feel that it is important to be fully involved in Zac's education and to support the nursery.

Hello I am Amy Armstrong, I have long links with the nursery as I actually came to nursery myself. I have two boys called Charlie and Harry. My oldest boy is now in Primary School and my youngest is waiting for a place in Rainbows. I became involved because I Feel that it is really important to help my children and nursery.

We have volunteered to be your parent's representatives on the official Governing Body at Rosemary Lane Nursery School. The Governors meet every term in an official capacity to work through the legal side of providing Nursery Education for children at Rosemary Lane. We are interested in supporting the school to continue to develop the high standards which we have at Rosemary Lane. If you would like any further information or would like any information passed to the Governors please do not hesitate to contact any of us.

Yours Sincerely

Your New Parent Representatives
