## Rosemary Lane Nursery School

### Summer Term 2016 Newsletter

Welcome to the Summer term at Rosemary Lane Nursery School. We are delighted to have new children and families join our setting and we look forward to sharing many special times together. During this term we will be holding our annual Fancy Dress Walk through Easington, we will be celebrating father's day with our builder buddy day and organising some fun trips outside of nursery. For your information, dates and times of all events can be found on the nursery school website ([www.rosemarylane.durham.sch.uk](http://www.rosemarylane.durham.sch.uk)). If you are unsure about anything please ask, we are all here to help.

Thank you again to everyone who helped to contribute towards all the fundraising last term. We raised a fabulous £438 on the chocolate raffle and tombola. Your generosity is overwhelming. Thanks also go to all the nursery volunteers who selflessly give up so much time to come and help out in nursery. We are very grateful to you all. If you would like to help out in nursery please speak to any member of the nursery team.

During the summer term we will be teaching the children more about growth and change. We will be planting and looking after vegetables, fruit and flowers. Our gardening day, to spruce up the nursery garden's ready for the summer sun, is Wednesday 27th April. On this day we hope to be planting, pruning, brushing, tidying and painting fences.

To celebrate father's day we will be holding our "Builder Buddy" event in June. You are once again invited into Nursery to share your child's achievements with their key person at the end of June. You will need to sign up for an appointment slot nearer to the time. These are invaluable meetings so please save the date now.

With the older nursery children preparing to go to primary school we will be receiving visits into nursery from local school teachers and children will be making visits to their new school. We will try to keep you up to date with these visits through the plasma screen in the entrance.

Hopefully we will see the sunshine more this term—please could we remind you to apply sunscreen to you child before they come to nursery. It is always safest to cover up as the sun can be very strong, make sure to send a **sun hat** and ensure your child's shoulders are covered.

We continue to collect £2 snack money on a Monday. This money provides ingredients for baking birthday cakes, healthy snacks and making play dough. You can pay each week or a lump sum if that is more convenient.

As lunches are becoming more popular please speak to your child's key person if you are interested in signing up.

A plea to all—please **write your child's name in the clothing** they wear to nursery. It is very difficult to find lost property when it does not have a name in it. If you have any children's jogging bottoms, trousers, skirts, tights or socks at home that no longer fit we would very much appreciate these spares for those who need a change of clothing during the session.

Last term we were very unfortunate to be burgled. In addition to this, some staff cars have been damaged outside of nursery, during school hours, If you see anything suspicious please speak to a member of staff and we will contact the police.

A polite reminder—please refrain from using your mobile phone while in nursery, for the safety of the children.

Thank you for all your support.

Kind Regards

The Nursery Team
