

Advice for pupils or a member of their household displaying symptoms of coronavirus (COVID-19)

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

Please ensure that you follow the latest government guidance for households with possible coronavirus infection found at www.gov.uk

For most people, coronavirus (COVID-19) will be a mild illness. However, anyone who displays symptoms of coronavirus (COVID-19) must stay at home and arrange to get a test.

Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet.
