Dear Parents and Carers,

Happy New Year. I hope you and your families have all had a happy and healthy Christmas.

I am contacting you with information regarding the opening of our nursery school following the Christmas break.

As I am sure you already know, we have a dedicated team of nursery staff who take great pride in providing our school community with the very best. We consider ourselves as an extension of your family, caring for and teaching your most precious children.

To make sure the school can provide a safe environment for children, staff and families we have decided to keep the school closed to children on Monday. This will provide time to be able to gather information to update our risk assessments and determine how we move forward.

I cannot invite children and families back into school until I know this is safe. Please rest assured I will continue to place the health and wellbeing of the entire school community at the heart of every decision going forward.

I can only apologise for the late notice I am providing you with today of this closure. As a school, we remain fully committed to teaching your children and we will contact you with an update as soon as we can.

I will be in school tomorrow and will be happy to talk with anyone who has concerns.

Kind regards

Jill Jones
