**All working parents accessing extended hours on a code—YOU MUST RENEW YOUR CODE EVERY THREE MONTHS. You will receive an email reminder. This may go into your email junk box. Please renew your code when you are prompted. If you do not renew your child's code, their nursery place will be reduced to the universal offer and the additional hours will be offered to the next child on the waiting list.**

## Rosemary Lane Nursery School

## Summer Term 2024 Newsletter

Welcome to the Summer term. We look forward to enjoying sunny days outdoors together. Please make sure to **send a named sunhat and put sun cream on your child before dropping them off** at nursery, we are outdoors everyday.

We have been working upon developing our nursery offer and welcome our new two's for longer hours this term. Transition processes have been adapted to support our youngest children to settle. Please help us to spread the word to advise all new parents to add their child's name to the waiting list as soon as possible. Demand for places has rapidly increased.

The summer term is always busy as we prepare older children for transition to school and welcome their new teachers to visit us in nursery.

Our seasonal focus in school will include learning about growth and changes. This will be through work in the garden and a study of lifecycles.

We will invite parents and carers to join us in nursery for a gardening activity on the week beginning 29th April. More information will be posted on Seesaw for each child.

Individual and group photographs will be taken across the morning on the 14th, 15th and 16th May. On these days nursery activities will be amended to reduce messy play activities.

After half term we will invite you to join your child's group to help them complete a sponsored obstacle course in the nursery. This will raise money to pay for all the children to go to South Shields on 18th July. Sponsor forms will be sent home in the coming weeks.

On June 12th we invite every child to "bring a buddy" to nursery to join in with a special family event. More information will be sent via Seesaw.

Every parent will be invited to attend a meeting with their key person. This is to discuss their child's development and next steps in learning. Speak to your child's key person to sign up for this.

During the final week of term there will be a 'Leavers Celebration' for the parents of all the children who are moving on to Primary School to attend. This will give us an opportunity to congratulate all the children on their hard work and achievements during their time at Rosemary Lane.

As usual all the dates for the term are included in the calendar attached. As each event grows closer you will receive more information on times etc through your child's Seesaw account. *Please ensure you have notifications turned on for Seesaw in your mobile phone settings.* For parents of children returning in September, there are some dates for transition back to nursery included too.

Many thanks go to the wonderful volunteers and governors who give up their time to come into Nursery to help. **Particular thanks go to June Hawes Charlotte Small and Sue Lewins who have been a tremendous support to the nursery this year.** If you are free we would really appreciate some help with activity packs, library and reading to the children.

A few polite reminders

- Please **name all items of clothing** including hats and shoes.
- Please **bring a coat to nursery everyday.** We have an open door policy so children go outside everyday and the weather can be changeable.
- **Snack money** should be paid to your child's Key person. (£2 for 15hour children and £2.50 for 30hour children)

Thank you for all your support.

Kind Regards

The Nursery Team

Nursery attendance is very important. Children learn through playing alongside and with their peers. As a school maintained by the Local Authority, we have a strict policy around attendance. **You must telephone or email school if your child does not attend for their allocated sessions.**

Children arriving after 9.00am are registered as late arrivals. Children who arrive after 9.15am will be asked to return for the next full session. Arriving late is very unsettling for your child. PLEASE ARRIVE ON TIME EVERYDAY.

## April Dates

Sun	Monday	Tuesday	Wednesday	Thursday	Friday	Sat
	15 Summer term begins	16	17	18	19	20
