

Independence in dressing and toileting

Please help us to support your child's journey with independence by sending them to nursery in clothing that helps this. Ideally dress your child in leggings or jogging bottoms to allow for movement when children are engaging in active learning opportunities and when using the toilet or potty. Please do not dress in all-in-one romper suits, dungarees and vests with press stud fasteners. These items of clothing are not appropriate for nursery as they significantly extend nappy changing times and make it challenging for children to access toilet facilities independently. Shoes should be easy to take off and on as we ask the children to change into wellies for outdoor play. Please practice dressing at home. A good place to start is dressing and undressing for bed. Little hands need lots of practice. Starting with loose fitting clothing promotes a positive "can do" attitude.

Outdoor clothing

All nursery children are given the opportunity to access the outdoor learning environment each day. Research confirms that **"Outdoor learning improves child development, supports mental health and wellbeing, deepens nature connection and promotes more inclusive and engaging learning"**.

We kindly request that you provide your child with:

- A warm outdoor coat
- A warm hat
- Gloves or mittens

These items will enable your child to comfortably participate in daily outdoor learning. Please store gloves in your child's coat pockets and tuck hats inside your child's coat sleeve. Make sure to name all items of clothing.

Please do not send children to nursery in dress shoes, crocs and scarves as these can be dangerous when children are using outdoor climbing equipment.

Fundraising

Thank you for all your support with sponsored events last term. All money raised has been used to pay for Christmas activities and to buy new outdoor waterproofs for the Maple room.

Nursery provision

If your child takes home some nursery toys please return these to us. We understand there are lots of exciting resources that the children love to play with and these may end up in little pockets. Please do not feel embarrassed, this happens quite often. It costs a lot of money to replace missing items and sometimes these are taken from sets and cannot be individually replaced. Please pass any resources back to nursery staff to ensure that they are put back into the correct places. Thank you.

Safeguarding Reminders

- Please **do not leave any young children unattended** in cars when dropping off and collecting.
- Please **ensure all children coming to nursery are strapped into a suitable car seat**. This is UK law.

Parents and carers who do not use the correct car seats and those who leave children unattended can be **reported to social services for failure to safeguard** a child.

Spring Term 2026 Newsletter Maple Room

Our planned curriculum for the Maple room children

The nursery environment within the Maple room has been carefully created with resources to promote enquiry, collaboration and thinking skills. The continuous provision has been selected to promote the development of the PRIME areas of learning – Personal Social and Emotional, Communication and Language and Physical development. Resources are displayed to encourage independence and child led enquiry. Children in the Maple room have a daily planned small group time with similar age peers, led by their key person. During this group time they will read stories, sing songs and rehearse rhymes that have been carefully chosen to promote the development of language and literacy skills. Mathematical learning is supported through routine tasks such as self registration onto 5 frames, daily use of 5 frames at snack time, using visual timetables and matching resources to pictures at tidy up time
